Peyton News

Miss C. Ferguson, and Mrs. Ben Ferguson visited at the home of Mr. and Mrs. W. E. Anderson on Monday.

Mr. and Mrs. Ferguson and daughter spent Sunday at the home of Mr. and Mrs. G. Trogan.

The Prairie Rock Club met last Thursday, at the home of Mrs. B. Allen.

Ray Trogan left last week for the north country and will visit a few friends and old neighbors, and work in the harvest fields.

The next U. F. A. meeting of the the Coliholme Local will be held at the Coliholme school September 2, at 7 p.m.

The teacher had told a group of five year olds the story of the three Hebrew children, Shadrach, Meshach and Abednego.

Mother--What did you learn today Tony.

Questionnaires Distributed

The Council of the Coliholme Municipal District would like all Questionnaires answered and returned to the Secretary at once so that they can plan their relief requirements before the Government.

Newlyweds Accept Firetruck In Place Of Their Automobile

Vernon, B. C. Aug. 11 -- C. P. -- Not many newly-weds start out on married life on a real piece of fire-fighting equipment, but this is what Joe Mycon and his bride, formerly Miss Edith Todd, did. Joe is second fire truck driver of the Vernon fire department. After the wedding the bridal car was missing from the church and a big fire truck stood in its place. The couple accepted the substitute.

Tony--Well, the teacher talked about your shack, my shack, and a sausage.

THIRTEEN MUNICIPALITIES CONSIDER RELIEF PROBLEMS AT CHINOOK MEETING AUG. 17

"National Calamity" is Term Used To Describe Results of Crop Failure Over Wide Area--Gov't Faces Critical Situation Sincerely

On Thursday, August 17th, a meeting was held in the Acadia Hotel here, representative of all rural municipal districts adjacent to the Goose Lake line extending from Hanna east to the Saskatchewan boundary, for the purpose of discussing relief problems arising out of the total failure of the 1933 crop. Thirteen municipalities were represented, with two delegates and the secretary-treasurer from each. The Provincial Government was represented by E. L. Gray, Field Crops Commissioner, while Messrs. Lorne Proudfoot and Geo. Johnson of the Acadia and Coronation provincial constituencies were also present.

Municipalities Represented
The following municipalities were represented: Acadia Valley, Cereal, Coliholme, Bertawan, Golden Centre, Sounding Creek, Richdale, Hand Hills, Cammer, Wide, Hiram, and Dowling Lake. R. Cates was the unanimous choice of the meeting for the position of chairman while J. A. Cameron proved an efficient assistant. J. E. McLeod acted as secretary.

Many Problems
Opening at 10 o'clock on Thursday morning, this meeting of municipalities throughout the drought area dealt with many problems. Resolutions calling for the establishment of relief camps on coal leases adjacent to the railway, to strip and mine coal to be supplied free to the relief area, supply of sufficient vegetables for the district by the Provincial Government, so that they may be purchased at reasonable cost; Government financing of feed for needy settlers so that the settlers may be charged with the original cost only; free freight on feed and coal; free milling of farmers wheat by local mills; free freight on stock or for

winter feed; the apportionment between Provincial and Dominion Governments of cost of providing direct relief including food, clothing, and medical attention; the estimate of \$150,000.00 as the minimum required for relief in the area represented; responsibility by the Federal and Provincial governments for relief throughout the entire area; Government operation of schools and the adoption of a public works program, were results of the meeting.

Public Works
In connection with a public works program the meeting went on record as being in favor of the Wm. Pearce Stock Watering project, designed to bring water from the North Saskatchewan river in the vicinity of the Cheyenne and to distribute same throughout a wide area in Alberta and Saskatchewan. This plan was originated by the late Wm. Pearce of the C.P.R. Irrigation Department, and recommended to the Dominion Government in 1919. Levels were run and the feasibility of the plan determined shortly after that time. It is now hoped that the Federal Government may be induced to further investigate and if possible put through the operation of the project as part of the national recovery program.

October Meeting
Another meeting will be held in Chinook on Wednesday, October 2nd at which delegates will review progress made up to that time and give further consideration to relief matters. Before closing the meeting voted hearty thanks to the presiding officers, members of the government and to Mr. Gus Cooke of the Acadia Hotel for services so generously rendered.

TELEGRAPHIC NEWS BRIEFLY CHRONICLED

Exploding Gas Drums Start Fire

(Special Dispatch to Calgary Herald.)

Didsbury's business section was seriously threatened by fire late Monday night when a truck loaded with gasoline caught fire at curb in front of the Bank of Montreal building.

Drums full of gasoline exploded in all directions and were hurled through space like blazing meteors, one traveling over the top of the X. L. Garage and falling directly behind the Adhead garage some 300 yards away.

Plate glass windows were shattered by the explosions with most damage being done to the Bank of Montreal building and the X. L. Garage. Only the fact that the slight breeze was from the west and blew flames away from the other buildings prevented a large and serious fire.

The bank building caught fire, but good work by the townsmen prevented much damage being done. Windows and sash were ruined with William McFarquhar, who resides in the apartments above the bank, the chief sufferer. Considerable damage was done to furniture in his apartment.

From Turner Valley

The truck owner, P. Kalkanen, and his son of Sylvan Lake, were returning from Turner Valley with eleven drums of gasoline and a supply of oil and grease.

Wishing to refill the truck with gasoline from one of the drums they stopped under an electric light at the bank corner. While

filling the gas tank flames burst out from under the hood and the entire cab was ablaze within a few seconds. Either a short circuit or a heated exhaust are thought to have been the cause.

The truck was a 1929 model valued at \$500, with the load worth \$100. Estimated damage to buildings and furniture was \$500.

Explosions of the drums were heard for miles around and crowds of spectators from Olds and Carstairs soon arrived here to witness the blaze.

Free Freight Effective

Announcement is made by E. G. Wood, District Agriculturist, that free freight is available to settlers from the Drouth Area wishing to locate in northern sections of the Province. For the present, the Alberta government is assuming two thirds of the freight charges, while the railways shoulder one-third. Later, it is expected that the Dominion Government will share equally with the Alberta government and pay its third.

Stung By Lightning

STRATHMORE, Aug. 22. -- (Special) -- T. J. Kildee was stunned and one leg was paralyzed when he was struck by lightning on his farm nine miles west of town during an electrical storm Saturday. -- Calgary Herald.

Wife: "I took great pains with that cucumber salad I made you." Hubby: "So did I."

HAPPY VACATIONISTS

Master William Hertridge, son of Hon. W. D. Hertridge, Canadian Minister to Washington and Mrs. Hertridge, and nephew of Canada's Prime Minister, Rt. Hon. R. B. Bennett, is seen here with his mother, both of them apparently enjoying themselves at Canada's great Maritime playground, the Katy's Cove beach of the Algonquin Hotel St. Andrews-by-the-Sea, New Brunswick, where they are spending their vacation. Major Hertridge joined them there for a while.

Heard Around Town

H. Forbes who has been suffering from an abscess on his neck, was taken to the Cereal hospital on Tuesday where he will receive medical treatment.

Wesley Gilbertson left for Wildmere on Tuesday.

Mr. and Mrs. M. L. Chapman were Calgary visitors last week.

Mr. Carlson left on Tuesday for Wildmere, where he will spend the winter months. Thos. Gilbertson will be in charge of his farm during his absence.

Mr. and Mrs. O. Nelson and daughter Hazeldene who have been visiting with Mr. Nelson's parents at Comrey, Alta. for the past two weeks returned on Thursday.

Vincent Rideout who has been attending summer school at Edmonton returned to his home here on Friday.

L. S. Dawson and daughter Miss Helen, of Wildwood Alta., were town visitors on Monday.

Mrs. Bowman, of Youngstown, Ohio, is spending a month visiting with her sister Mrs. Bowman, north of town.

Arthur Switzer, from the north country, visited on Tuesday at the home of his sister, Mrs. Chapman.

Mrs. R. D. Vanhook and son Harmon, left last week by motor for Edmonton district, where Mr. Vanhook has located. Mrs. Vanhook returned on Saturday.

Born, to Mr. and Mrs. Glen Johnston on Sunday Aug. 20, a son.

Rev. Mr. Woolfart and family who have spent the past three months in Ontario, returned last week.

Leonard Youell who has been in Calgary for the past two years returned Sunday night. Mrs. Youell and the rest of the family will return shortly.

A farewell party was held at the home of Mrs. E. E. Jacques, Monday afternoon in honor of Mrs. Harry Lloyd who leaves shortly for Lesleyville, Alberta. Mrs. Lloyd was presented with a pair of embroidered pillow cases by its members of the Women's Institute. Mrs. Lawrence expressed regret at losing Mrs. Lloyd who was a member of the W. I. Mrs. Lloyd thanked the ladies in a few chosen words for their gift. At the close a dainty lunch was served.

Lloyd Leonard, of Bassano, arrived here Tuesday morning and has accepted position of printer at the "Chinook Advance" office.

Harry Lloyd is busy now decorating the interior of Mr. W. Meade's house.

Mrs. Guss and family moved last week into the house formerly occupied by H. Butts.

Mrs. Lloyd Robinson has been in the Cereal hospital for the past two days having had her tonsils removed.

Geo. McIntosh and son left for Lesleyville where they are cutting feed for their stock.

Turkey has ordered \$5,800.00 worth of German railway material.
